NOTICE TO THE GENERAL PUBLIC – DISCLAIMER

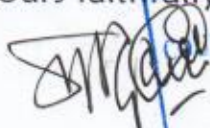

Following our advertisement for vacancies in various positions, it has come to our attention that unscrupulous individuals posing as members of the **LAIKIPIA COUNTY PUBLIC SERVICE BOARD** are contacting members of the public falsely claiming to offer job opportunities in exchange for money.

We would like to categorically state that no payments are required at any stage of our recruitment process, and that any person requesting for money is engaging in a fraudulent activity.

Please note that the Laikipia County Public Service Board only contacts applicants through their official Mobile Number 0715052052 or the official email: cpsblaikipia@gmail.com

We urge all members of the public to remain vigilant and report any suspicious approaches or communications to the relevant authorities or directly to our office through the number: 0715-052-052. The Board considers such actions as a gross infringement of its rights and will work closely with the law enforcement agencies to identify and prosecute such culprits.

Yours faithfully
